To ACF Panel

The first year listed refers to the year the judge was appointed to the A.C.F. (Inc.) National Panel - NOT the year they qualified to judge. In most cases the judges listed have more experience than the year against their name would suggest. The second year listed indicates notification of the most recent addition to their licence.

** next to a judge's name means that they are inactive or on leave of absence at the date of the printing of the list.*
