1. GENERAL

The ACF (Inc.) National Show is run by the appointed host Member Body on behalf of the ACF (Inc.) and as such all ACF (Inc.) show rules, classes, breed recognition and by-laws pertaining to the conduct of ACF (Inc.) National Shows are to be utilised. ACF (Inc.) policy overrides that of the host Member Body in areas where there may be differing methodology in the conduct of Shows. To ensure the timetable is adhered to, ACF (Inc.) National Shows will comprise no more than six (6) rings over two (2) days. The show will be opened by the ACF (Inc.) President or dignitary with the officiating judges being introduced at the start of the show.

Suggested planning timetable:

1.1. Three years ahead:

- 1.1.1.** Host Member Body established at an ACF (Inc.) GM.
- 1.1.2.** Book overseas judges and put out feelers for sharing to other Member or Provisional Member Bodies and/or New Zealand (NZCF) (if likely to be cost efficient). Shares should be with recognised organisations (please check with ACF (Inc.) ILO).
- 1.1.3.** Start serious thinking about venue (show and meetings) and visit options. Cat-friendly accommodation should be preferably on-site, but if not, close by.
- 1.1.4.** Start fundraising sometime during the year. Open ACF (Inc.) NATIONAL SHOW (YEAR) account for deposits.
- 1.1.5.** Appoint committee who will begin to organise all the above and meet as needed.

1.2. Two years ahead:

- 1.2.1.** Book Australian judges using ACF (Inc.) National Show contract, specifying 2 nights' accommodation with any further nights at their own expense. All judges' airfares, accommodation and meals are a show expense.
- 1.2.2.** During the year: lodge submissions for sponsorship from sources other than major pet food sponsor.
- 1.2.3.** Draw up realistic projected income and expenditure document. Organisers of previous ACF (Inc.) National Shows may be consulted.

1.3. One year ahead:

- 1.3.1.** Inspect potential boarding facilities close to venue. Inspect accommodation, meeting venues, etc. Appoint somebody to be-in-charge of cat/human transport.
- 1.3.2.** Approach judges for photos and bios for the schedule and/or catalogue.
- 1.3.3.** Depending on the state of the contract with the pet food sponsor, liaise with the ACF (Inc.) Secretary and ACF (Inc.) Treasurer on the cash aspect of the sponsorship.
- 1.3.4.** If a formal reception is planned, contact the appropriate institution 9 to 12 months prior to the show.
- 1.3.5.** The ACF (Inc.) National Show must be fully insured for public liability and injury to all workers during set up, the show and breakdown. The host Member Body will merely need to list the show on their policy if their coverage is as above. A copy of the insurance policies is to be sent to the ACF (Inc.) Secretary three (3) months prior to the show

1.4. Six Months ahead

- 1.4.1.** Schedule draft done with the major sponsor logo on the cover. Preferably include bios/photos officiating judges. Mention all social events, Guild meeting, and prices for dinner/meeting, morning teas/cocktail party, etc. on the summary sheet. Contact the Judges' Guild Secretary for information on meeting time and content of seminar. Include ACF (Inc.) Show Rules. Contact the ACF (Inc.) Secretary for details of time, etc. for ACF (Inc.) AGM/GM on Tuesday. Information on accommodation (including prices) for people and cats (perhaps mentioning distance from venue) and anything you can think of which might be helpful. State form of vetting to be used. State method by which the Supreme Exhibit will be decided. If hotel/motel does not allow cats, provide details of an "official" cattery. Schedule to be approved by ACF (Inc.) Committee prior to release.
- 1.4.2.** Buy Australian judges' airfares the minute there is a special offer. Try getting a sponsor for one or more. If overseas judges are buying their own, do your own research and see if you can get a better deal. If they buy, it must be at a better rate, and advised/consulted before they do so (see contract) with quote in writing from an agent.
- 1.4.3.** Book the vet/s (if applicable).
- 1.4.4.** Arrange (if not already done) for the ACF (Inc.) banners, etc. (show decorations) to be forwarded from the previous host Member Body.
- 1.4.5.** Prize cards printed (with ACF (Inc.) logo); challenges/award of merits/companion cat awards printed (Single ring can be acquired from ACF (Inc.) Secretary).
- 1.4.6.** Rosettes and ribbons ordered – check prices of local product as compared to importing from overseas remembering to include postage.
- 1.4.7.** If not already done, plan a media campaign. Submissions to print media for free advertising and coverage have been successful in the past, usually based on claims of something unique, whether it's a rare breed of cat which will be present or a human-interest story about a participating judge, cat or exhibitor. Imagination needed!

1.5. Closer to the event:

- 1.5.1.** Consideration should be given to flexible floor plan options which cater for various levels of entry per group/section. The minimum requirement should be that the floor plan accommodates the allocation of judging assignments and ensures orderly "flow" of judging.
- 1.5.2.** Appoint somebody to do the "window dressing" of the stage area at minimal expense.
- 1.5.3.** If you haven't done it earlier, start choosing personnel and train if necessary. Obvious things like ticket/card room workers, scribes, stewarding, etc. Any computer programmes which are being used to run the show should already be proven to be successful and capable of coping with anticipated entry and workload.

THE AUSTRALIAN CAT FEDERATION INC.

ACF National Show UTH/UTJ Policy

Any UTH/UTJ at an ACF National show, shall be considered as a show in the continuum of the shows and shall be counted towards the total that a member association will count for a member cat towards the total banning of said cat from shows.

Any exhibit is under the show rules from the time it enters the show venue until it exits

Definitions

If, at any time, an exhibit shows itself to be difficult to handle or threatening, the Judge will then decide if they wish to judge the exhibit. If the Judge is still unable to handle the exhibit, then at their discretion, they may mark the exhibit either UTH or UTJ.

UTJ is the lesser form of aggression. Occasionally minor injuries occur that may not be the fault of the cat – it is up to the Judge's discretion which category they choose to use for each circumstance.

UTH (Unable to be Handled)

Any exhibit that shows aggression towards people be they Owner, a Judge, Handler, Steward, or Veterinarian during vetting or judging, especially any cat or kitten that bites or deliberately scratches someone, will be declared UTH in consultation with the Show Manager and a Red UTH card will be placed on the cage. No further judging or showing of the exhibit will take place.

UTJ (Unable to be Judged)

Any exhibit that behaves in a recalcitrant manner or shows threatening behaviour during the show or cannot be removed from its cage because of such behaviour, may at the judge's discretion, be classified as Unable to be Judged (UTJ) and will not be judged in that ring.

Action & Reporting UTH

1. Any exhibit showing aggression in the UTH category at any time after entering the show hall shall be reported immediately to the Show Manager by the parties involved.
2. The show Manager will immediately record the UTH by completing and signing an ACF UTH/UTJ National Notification Form which the judge/show official and owner/exhibitor must also sign.
3. Any injury to be recorded on the ACF Injury form provided by the show manager and handed back to the Show manager.

UTJ

An exhibit which acts less aggressively but is not able to be effectively judged/assessed and therefore marked Unable to be Judged (UTJ) must be reported by the steward to the Show manager who will ensure that a yellow UTJ tag is attached to the exhibit's cage to warn following judges and show personnel. An exhibit marked UTJ is not automatically disqualified from further rings.

1. The show Manager will record the UTJ by completing and signing an ACF National UTH/UTJ Notification Form which the judge/show official and owner/exhibitor must also sign.
2. The Show Manager must forward the UTH/UTJ form to the hosting body's secretary within 7 days of the show closing. It will be up to the relevant member body/provisional member body to determine what action, if any, they take.
3. The Show Manager must report any injury caused to judges/stewards/show personnel/members of the public by exhibits whether the exhibit is marked UTH or UTJ, and to ensure the appropriate form has been filled in and has been submitted to the hosting body's Secretary

For ACF Member Bodies Action if any

4. The hosting body's Secretary is required to advise the ACF Secretary of any UTH at the ACF National Show organised by that member body. The ACF Secretary will forward the advice officially to the member or provisional member body with which the cat is registered and keep the advice on file.
5. Member or Provisional Member Bodies are required to advise the ACF Secretary of any UTH within their member body, the advice will be kept on file and forwarded to future ACF National Show Host Bodies.
6. As a duty of care to show personnel and to the wellbeing of the offending exhibit, the issuing of two (2) UTH warnings at a cat show will disqualify said exhibit from entry into an ACF National show.
